Business: Payson is willing to work in the cemeteries next summer, taking responsibility for mowing, upkeep of equipment, and other maintenance tasks as requested by the Commission. He also will be in charge of burials. A verbal agreement of 40 hours per week was established from May 1 through October 31, 2005.

There was discussion about how much time will be required by a second employee. This will be determined at the annual meeting.

The budget was set for 2005. A motion was made and seconded to ask the town for \$19,500.00 Motion carried. Copy attached.

Walt said Dick Spalding wondered if we could write a UDAG to recoup the funds spent for the Durant River Bank Project. It was decided that this is not feasible since the project is completed. It was felt if an application had been put forth earlier before the project started maybe a grant would be possible.

Adjournment: Meeting adjourned at 9pm.

Marvie Domey, Sec.
