

Cemetery Commissioners meeting
Friday August 10, 2018 @7:00pm

Those attending: Melvin Churchill, Debra Bothfeld, & Angela Ward

1- Meeting called to order by Melvin @ 7:10

2 - Motion made by Melvin to approve the agenda, approved by Deb with a second from Angela

3 - Motion made by Melvin to approve minutes from 4/7/2018 meeting. Approved by Deb with a second from Angela

4 - Public Comment: No community members attended.

5 - Revisit tree removal / Hazard Mitigation

-Melvin explained that he had met with select board and there was concern about the length of time it may take to get approved for this program. It was suggested that the commission use the savings of \$15,000.00 and the town would put in \$5,000.00 We would take down the 10 most worrisome tree's. There is a real concern the damage that could be caused should a storm take them down. We decided it would be best to put this job out for bids. We will still proceed with the Hazard Mitigation as there are still more trees that will need attention.

-A motion was made by Melvin to take a vote to go ahead with spending the money in reserve along with the additional money from the town to remove the 10 most troublesome trees. Angela approved with a second from Deb. Vote passed

6 - Other Business

-Warranty Deeds, Melvin explained how these are filled out and filed with the town clerk. When a plot is purchased, the buyer is responsible to buy their own corner stones to mark their plot. Once the corner stones are put in the ground the buyer is then given their deed.

-There was a brief discussion about the damage a tree had caused to a new fence at the Bothfeld cemetery. No decision was made about any repairs.

Meeting adjourned at 7:45 PM
