Discussion for SB re: listers' future – tabled for Jeff – looking up whether Listers can be town employees as an option to retain Listers for longer periods of time. JJ will email VALA president.

Adams / Appel acreage and ownership question – Jeannie reports that this has gotten more confusing than it was and is still under review.

CU calculation of excluded land question – Robyn needs to review all CU excluded land calculations because of a misinterpretation of the calculation method that was used for 2016.

Prepare for BUDGET meeting with SB – Equipment – need a new camera – would like the ability to print house photos in color on photo paper.
