

Town of Cabot - 2018

Water & Wastewater System Allocations Permitting and Connections

Application Fee

- 1- Complete application to the Board with Application fee
- 2- ERU will be set for allocation
- 3- After application is approved yearly allocation fee will be charged.

Allocation Fee per ERU

- 1- Allocation fee is payable each year after application is approved
 - a. First three years renewal of the allocation is not required
 - b. After three years holder must apply to the Board for a yearly extension.
 - c. Renewal of allocation must be requested in writing and be accompanied by extension fee per ERU
 - d. Board may deny renewal of an allocation
- 2- Allocations not renewed revert to the Town

Connection fee

1. A connection fee is required this deposit will be held to cover costs of connecting to the system, all system connections and service extensions will be completed by the Town or the Town's Contractor.
 - a. Pay deposit for connection construction
 - b. Town must be notified 48 hours in advance when connection to the town system will be made to coordinate inspection.
 - c. Service extensions will require payment of an impact fee to be assessed
2. All fees are due prior to connecting to the wastewater system, User Fee quarterly billing will begin once the connection has been completed beginning at the next quarterly billing cycle, based upon connection date
