Coming up with a proposal to put soccer and basketball back in the school. Irv thinks we can offer more keeping at

recreation level. Pros and cons both way. Decision was if school accepts to have basketball and soccer for youth in

the school, it opens up the recreation committee to offer more offerings for all ages, child and adults.

Proposal to have a monthly flea market at the rec field during the summer, need to check with select board.

7. Basketball - need to still find 3/4 and 1/2 basketball coaches, which was resolved.

8. Trails - haven't been used for 15 years, look for grants, start small and work up to more areas,

Chuck is going to

look at the map. Discuss at the next meeting, put an ad in the chronicle advertising discussion in hopes to have

community members input.

9. Ice rink - Richard has offered the rec to borrow a trailer to store skates and other supplies for the winter to keep at

the common next to the rink.

10. Other Business, community member emailed about background checks. We will make sure they are done on

everyone regardless of who they are.
